RE: Letter of Recommendation- Bid Packages #1 and 2

Dear Brad:

Wight Construction Services Inc has let bid package #1- Ice Rink Construction and bid package #2- Dasher Board Installation on behalf of the Joliet Park District. In response to the request for proposals, four contractors submitted bids.

The bids were as follows:

Bid Package #1- Ice Rink Construction

- Cimco Refrigeration- \$2,389,000.00

Bid Package #2 Dasher Boards

- Becker Arena Products- \$334,881.00
- All American Arena Products- \$ 263,575.00
- Rink Systems Inc- \$ 260,000.00- with alternate #1 for steel framed dasher boards as a deductive alternate cost of \$4,000.00. Contract amount would be \$256,000.00

Subsequently, we conducted a scope review meeting with Cimco Refrigeration (\$2,389,000.00) and Rink Systems Inc (\$256,000.00) to verify that they accurately understood and priced the intended scope of work and schedule. As a result of this satisfactory review, Wight Construction recommends award to Cimco Refrigeration and Rink Systems Inc based on the bids submitted.

Sincerely,

CC Polte
