Award of Inwood Softball Fields (Turf) Project

To: BOARD OF COMMISSIONERS

The following bids were received for the Inwood Softball Fields project. The work consist of the installation of a new 24" storm sewer, removal and disposal of existing infields, installation of under drain system and construction of aggregate sub-base for new artificial turf infields. Restoration of work area will be required including fence, concrete, asphalt, topsoil and grasses. This bid does not include artificial turf installation.

Bidder	Base Bid	Alternate #1	Alternate #2
