

# SCOUT BADGES

## Pilcher Park Nature Center

Pilcher Park Nature Center is pleased to announce that we are offering several nature-themed Girl and Boy Scout badge programs for local troops and dens. These programs are designed to accomplish the majority of the listed badge requirements, if not all. *We do not provide actual badges upon completion of requirements.*

### Program - Group

Bugs - Brownies Girl Scouts  
Senses - Brownies Girl Scouts  
Hiker - Brownies Girl Scouts

Tigers in the Wild - Tigers  
Paws on the Path - Wolf

Fur, Feathers & Ferns - Bears  
A Bear Goes Fishing - Bears

Animal Habitats - Junior Girl Scouts  
Geocacher - Junior Girl Scouts

Into the Woods - Webelos  
Into the Wild - Webelos  
Earth Rocks - Webelos

*\*Add a campfire with marshmallows for \$1 per child (30 minutes)*

#### Badge Programs

If there is a theme or topic your troop or den is interested in not listed above, please contact us to see if we can accommodate. We are flexible and willing to provide variations of the badges or field trips we typically offer for schools and other groups. Please visit [jolietpark.org](http://jolietpark.org) to view our field trip guide.

#### The Day of Your Program

Please arrive on time. Arriving late may shorten your program as the program will still end on schedule according to your reservation. This may also affect the naturalists's ability to complete all requirements in the remaining time. Dress appropriately for the weather. We will go outside weather permitting.

#### Payment and Siblings

All badges that we offer require a minimum of 6 participants. Most badge programs cost \$6 per participant. Siblings are allowed to join for a fee as long as their ages are similar. Please mention the addition of siblings at the time of registration. A deposit of 25% of the total is due at registration. The balance is due on the day of the program.
