

Synergy Dance, Pom, & Cheer Competition Team Tryouts/Classes

What is Synergy?

Synergy Competitive Dance, Pom, and Cheer competes in the Illinois Park District Drill Conference Team Division. This is a great opportunity for your child to become part of a team that will build his/her self-esteem and encourage him/her to be confident and outgoing. This is an 8-month commitment.

The Competitive Team provides members with a unique opportunity to study, explore, and perform dance, pom, and cheer at a higher level of expectation. This gives the more disciplined performer a way to study at studio-quality instruction level.

Synergy Team 2019 – 20 season runs from October 2019 through May 2020. Members are required to be enrolled for the entire season. Payments are made in 2 installments of \$120 (September & December). There is also a \$30 recital costume fee (Fall & Spring). Synergy Park District Team competes from January to April in the Illinois Park District Drill Conference.

Try-Out Information

Register for tryouts in your genre choice group. The program numbers are listed below. There will be a \$5 non-refundable tryout fee. Performers may be moved up or down based on age averages and skill of the performer (i.e. if your performer is 9 years old, tryout with the juniors, but if selected, may perform with the minis). Tryouts will be held at the Joliet Park District Kathy Green Multi-Purpose Center Gym. Participants will be broken up into age levels upon arrival. Tryouts will consist of evaluations of the following: Motions, Dance, Tumbling, and Jumps. The instructors will determine, based on skills, which age level the child will perform at and which style they will perform. If your child refuses to try-out, competition may not be suitable for that child. There are no make-ups for tryouts. You will be contacted via email within 1 week about individual results. **Child may perform in more than one category.**
